Career Summary

Jess Hernandez joined Pfefferle Management's Residential Division in 2020 as assistant accounting/residential property manager. She supports the lead property manager by effectively computing, classifying and recording numerical data to keep financial records complete, lease processing, verifying and posting resident rental and vendor payments timely, and obtaining primary financial data for use in maintaining property accounting records. Ms. Hernandez manages the financial aspects of the business while developing and maintaining positive working relationships with individuals with varying backgrounds. She comes to Pfefferle Management with over 25 years of administration, business management, public relations, social services, sales and customer service experience.

Prior to joining Pfefferle Management, Ms. Hernandez and her family relocated to Wisconsin in 2004 from California to provide a better upbringing for their children. Her previous experience as human resources assistant at Madera Community Hospital of three years, business office director at Fox River Senior Living of three years and W-2 financial employment planner/foodshare employment trainer/transition to success case manager at Forward Service Corporation of eight years, has equipped her to successfully handle and embrace both professional and personal challenges and effectively manage multiple priorities through creative problem solving, time management, flexibility and finds it greatly rewarding to be able to help forward Pfefferle Management's mission, vision and values for sustainable industry growth.

Ms. Hernandez is eager, inspired and driven by customer and business success and by collaborating teamwork, and learning and continuing to be the student to become successful in her role to meet and exceed expectations of those she encounters as she is passionately committed to producing great results.

In her spare time, Ms. Hernandez likes to spend time with her two boys, friends, family and her two cats. She enjoys camping, live bands, swimming, thrifting, working out, foodie, karaoke, learning to play her acoustic guitar, planning/creating events for family/friends, mentoring, educating, and counseling.
